SPECIALTY LUBRICANTS

BIO-CLEAN 19

Citrus Based Solvent/Degreaser

Economical

Powerful

Contains Natural Solvent

Multiple Surfactant Formula

Citrus Scent

pH 12.0

BIO-CLEAN 19 is an excellent all-purpose cleaner, yet has the power to operate as a heavy-duty industrial degreaser. D-Limolene is a natural occurring solvent that provides enough bite to clean tough soils, while offering a citrus aroma. Combining the cleaning/degreasing power of D-Limolene with surfactants for penetrating soils is the perfect combination. Extremely low mix rates for general cleaning and very cost-effective mix rates for heavier industrial strength soils. Many “citrus” cleaners on the market offer the scent, without the solvent power of real D-Limolene. BIO-CLEAN 19 offers the odor reducing agent, solvency, and cleaning power in one.

“There are many citrus scented cleaners on the market. Use BIO-CLEAN 19 on tough soils or degreasing applications and see the power of real organic solvents.”

BIO-CLEAN 19

Product Specifications

Typical Properties:

Specific Gravity:	0.84
Terpene Hydrocarbons:	100%
Solubility in Water:	Insoluble
Appearance:	Amber
Odor:	Orange
USDA:	C-1

DIRECTIONS:

Dilute 8 oz. per gallon of water for heavy duty degreasing, 4 oz. per gallon for regular medium-duty cleaning, or up to 1 oz. per gallon for routine maintenance cleaning.

Apply with a mop, sponge, or a trigger sprayer

Wipe off or rinse with water (water rinse is required if used in federally inspected meat and poultry processing plants).

SAFETY CAUTIONS:

Keep out of the reach of children. Make sure there is adequate ventilation. It is recommended that protective gloves and safety glasses be worn when using this product.

Sharing lubricant knowledge and delivering the highest quality products, two things we promise our customers. The difference will change how you view, purchase and utilize greases and oils from here forward.
