

ROYAL OIL CO.

SPECIALTY LUBRICANTS

ROYAL COMMAND

Premium Degreaser

12.4 PH

USDA A1 Authorized

Versatile

Economical

Heavy Duty

Synthetic Detergent

“ROYAL COMMAND is one of the most versatile cleaners on the market. It can be used in homes and even huge corporations. It can be used to clean floors, walls, aircraft, heavy machinery, and much more!”

Concentrated COMMAND has a pH of 12.4 which is considered too high for use as a hand cleaner and therefor is not recommended to use as such. COMMAND must be activated with water. When activated correctly, COMMAND will clean most any job big or small. COMMAND has fumes and has no harmful effects when mixed with water. For specific instructions, look on the reverse page. COMMAND has an A1 rating by the USDA. This means COMMAND can be used in plants where meat, poultry, rabbit, and egg are processed. Though command can be used on equipment it is not to come in contact with food products or packaging equipment,. COMMAND is a synthetic detergent made with biodegradable ingredients, instead of soap. COMMAND emulsifies and lifts dirt and grime.

ROYAL COMMAND
