

ROYAL TITAN CITRUS DEGREASER

ROYAL TITAN is an excellent economical all-purpose cleaner and degreaser formulated with a synergistic blend of non-ionic and anionic surfactants, chelating agents, and citrus solvents. Safe to use on most water washable surfaces in schools, motels, hospitals, grocery stores, body shops, etc.

DIRECTIONS:

Dilute 8 oz per gallon of water for heavy duty degreasing, 4 oz per gallon for regular medium-duty cleaning, or up to 1 oz per gallon for routine maintenance cleaning.

Apply with a mop, sponge, or a trigger sprayer.

Wipe off or rinse with water (water rinse is required if used in federally inspected meat and poultry processing plants).
